The Psychotherapy Center is a group of licensed Virginia psychologists (CP), social workers (LCSW), psychiatrists (MD) and professional counselor (LPC) that provides a wide range of diagnostic and psychotherapeutic services designed to assist those facing a personal challenge.

The Psychotherapy Center provides psychotherapy for children, adolescents, families and adults. Services include: evaluation and treatment of behavioral problems, eating disorders, mood disorders, anxiety disorders, academic achievement, ADD/ADHD, abuse recovery, divorce and step-parenting, medication evaluations, stress-related disorders, post-traumatic stress, depression, Bi-Polar illness, women's issues, alcohol and drug prevention, anger management, relationship problems, grief and loss, marital or family conflict and more. Group therapy is available for some issues.
