Stafford Family Counseling (SFC) offers a full range of individual and group outpatient mental health services to children, adolescents, adults, families and couples. At PWFC a wide range of emotional and behavioral concerns are treated including but not limited to: Depression, Anxiety, Attention Deficit/Hyperactivity Disorders, Impulse Control Disorders, Substance Abuse, Eating Disorders, Anger Management Training, Family & Marital Conflicts, Grief/Bereavement, Psychological/Educational Assessments, etc.

SFC has strong working relationships with many medical practices, hospitals, schools and family-oriented government agencies.

Stafford Family Counseling's therapists are state licensed and specialize in the clinical area in which they practice. Extreme care is taken to match each patient with a therapist who meets both their clinical needs and age.
