Home Matters of VA offers a full range of senior move management services. Every aspect of your move, whether to a smaller home, independent senior living apartment, assisted living, or a different apartment in the same community, is handled with care and respect.

Help can be made with which treasurers to keep, which to give to family and friends; how to pack and move; set up in the new home, and more.

Online auctions simplify selling any excess assets, within your time frame, at maximum value and with minimal cost.
