Asa's Neighborhood – an innovative neighborhood devoted entirely to Memory Care – offers highly individualized programs for residents with Alzheimer's disease or other memory impairment conditions.

The neighborhood is staffed by professionals who are trained in the latest advances in Memory Care and who treat residents like family members. Programs cater to the unique physical, emotional, and nutritional needs of every resident, enabling them to live comfortably and confidently. Designed to feel just like home, some areas allow for privacy, and others are created for social engagement.

The capacity of assisted living and memory care is 67.
