The Williamsburg Chapter of Cycling Without Age is a joint project of the Williamsburg Area Bicyclists, a local recreational bicycle club, and [BikeWalk Williamsburg](#), a local cycling and walking advocacy organization. Cycling Without Age is currently working with seven local Continuing Care Retirement Communities in the Williamsburg Area.

Cycling Without Age offers free trishaw rides to local Continuing Care and Independent Living Retirement Communities. Cycling Without Age normally offers rides on safe and scenic local multi-use paths and roads such as the Virginia Capital Trail, the Jamestown Island tour roadway, and Colonial Williamsburg.

For individuals interested in getting involved in this program, either as a pilot (trishaw operator) or as a participating retirement community, please email the program at info@cwa-williamsburg.org.
