

VirginiaNavigator Staff

Adrienne Johnson, M.S.

Executive Director, Gerontologist, Initiative Manager, The Lindsay Institute for Innovations in Caregiving

A leader in Virginia's aging network, Adrienne joined the VirginiaNavigator team in 2004 and has held various aging related positions in her career. As Executive Director, she works in partnership with the public, non-profit, and private sectors and is responsible for the development, marketing, board oversight and operational management of VirginiaNavigator. Prior to becoming Executive Director, Adrienne served as a member of the organization's Leadership Team while performing her duties as Director of Website Operations. As Director of Website Operations, she was responsible for the oversight of the VirginiaNavigator and its Family of Websites and management of website content and data based on consumer needs and current issues in aging. Additionally, she has served as project and grant manager for several of VirginiaNavigator's major initiatives.

Adrienne earned her Master's degree in Gerontology with a concentration in Health Administration from the Medical College of Virginia at Virginia Commonwealth University and holds a Bachelor's degree in Sociology from the University of Connecticut. She serves on the board of the Virginia Quality Healthcare Network (VQHN) and on the VGEN Plenary Committee and the VCoA Advisory Committee, as well as a host of other coalitions and committees serving the aging and disability communities throughout Virginia.

Kim Tarantino

Deputy Director, Special Project Lead, The Lindsay Institute for Innovations in Caregiving

Kim joined the VirginiaNavigator Team in the fall of 2003 after earning her B.A. in Communication from Mary Baldwin College and has served in several roles with the organization. As VirginiaNavigator's Deputy Director, Kim has oversight of all programs, selected special initiatives and partnerships, all marketing and outreach initiatives and overall operations for the organization. Additionally, Kim leads VirginiaNavigator's Community Team which provides outreach across the Commonwealth. Kim proudly serves on the No Wrong Door Resource Advisory Council and the Greater Richmond Age Wave Readiness Leadership Coalition and as a member of the coalition's Business for Life Work Group - representing VirginiaNavigator and its Lindsay Institute.

Christa Flippen

Project Coordinator

Christa joined VirginiaNavigator in 2018 with experience in sales, training, and customer service. In her role as Project Coordinator, she assists with data management of VirginiaNavigator's 26,000+ listings, staffs our call center to help connect people with local resources, and provides administrative support throughout the organization. Christa strives to grow by continuing to learn every day and appreciates the positive impact non-profits make on the community. A lover of the art of dance, Christa is also a dance teacher at a studio where she teaches young children, helping to instill that same love and passion in them. Christa holds a Bachelor of Science degree in Business Management and Administration from Virginia Commonwealth University.

Teresa Lavinder Zeigler
Community Resource Specialist, Database Curator

Teresa joined the organization in 2014 and lives in Vinton, Virginia. She brings a wealth of knowledge and experience from her work as a 2-1-1 Virginia Community Resource Specialist and with federal, state, and local disability and aging service agencies and programs. She enjoys serving caregivers, service providers, older adults and people with disabilities. She currently holds the CIRS and CRS-A/D certification given by the Alliance of Information and Referral Systems (AIRS). Teresa has a Bachelor's degree in Economics and Business Studies at Hollins University.

Maggie Menard

Data Specialist

Maggie joined VirginiaNavigator prior to launch in 2000 as one of the organization's first full-time employees. Maggie's history with VirginiaNavigator provides a valuable perspective in understanding the evolution of the database. Maggie is responsible for entering, verifying and updating information both on-line and by phone and assists in educating providers how to input changes regularly. Maggie also answers the Help Line for consumers who need help finding services in their city or county. She previously served as billing clerk and bookkeeper. She attended the University of Mississippi and has completed several business and computer courses designed for non-profit agencies.
