Call for Information

National captioning Institute can provide closed-captioning services, transcription of a live event or video, subtitling and translation for television and web captioning, transcription, and audio description needs. Spanish captioning is also available.

Services are provided for individuals and for the broadcast, cable, and home video industry, ensuring that deaf and hard of hearing people, as well as others who can benefit from the service, have access to television's entertainment and news through the technology of closed captioning. Also provides language translation services for television viewers.
