Eastern Healthcare Group, Cypress Point Rehabilitation and Nursing provides 24-hour nursing coverage. The capacity is 90 beds. Provides skilled nursing care with a full range of support services. The care team, along with the assistance and support of the family, develops an individualized care plan tailored to meet the specific needs of each resident. Specialized resident care, looking after the special needs of Alzheimer's patients is also available. Care provided includes recovery bridge care, intermediate care, skilled care and advanced medical care.

There are registered nurses, licensed practical nurses, and trained geriatric nursing assistants on staff. Personnel is trained and prepared for emergencies. Each resident's medical care is supervised by the attending physician who makes routine visits to the home. In the event of an emergency, a physician is on call at all times.
