Garden Cottage Counseling offers therapy and counseling in areas of relationships, women's and men's issues, parenting, education, careers, life stage adjustments, medical or physical difficulties and other challenges. Provides individual, couple, family and group services.

Offers holistic approach with emphasis on body-mind-spirit interactions in the context of family and community resources. Functional and social assessments are provided, together with checks for depression and anxiety. Provides counseling to geriatric persons and others coping with physical illness.

Issues covered can include depression, anxiety, employment, attention deficit, relationship, life management, coaching for success, thought problems, personality issues, substance use, parenting, and medical or physical changes.
