Dogwood Village of Orange county offers skilled nursing care. Capacity is 138 beds. Care is provided to residents who qualify following a three-day hospital stay. A medical need is established and rehabilitation services are initiated immediately upon admission. Residents are afforded an opportunity to participate in physical therapy, occupational therapy and speech therapy as determined by their attending physician.

If recovering from surgery, stroke, joint replacement, fracture, accident or any other condition requiring rehabilitation services, we can provide the evaluation and treatment necessary to meet your rehabilitation goals.
