The Wellness Center at Atlantic Shores serves as a primary care provider for residents of Atlantic Shores or as a resource for the health care needs of residents. The Wellness Center is located in the main clubhouse area. Emergency medical technicians are on-side 24/7.

The Clinic performs physical examinations, diagnoses and treats acute health care problems such as infections and injuries, and monitors pacemakers and chronic diseases such as diabetes, and hypertension; prescribes medication and other treatments. Other specialty services provided through the Clinic are podiatry, optometry, audiometry, and rehabilitation (physical, speech, and occupational).

Service Area(s)

Virginia Beach City
