The Hospice Association of America offers general information about hospice services, including consumer guides, fact sheets, historical perspectives; offers information regarding legislative, regulatory, research and legal matters; offers answers to questions about hospice and has links to hospice-related subjects.

Members of HAA include caregivers, volunteers who serve terminally ill patients and hospice organizations. Members can obtain expert advice from HAA's legislative, regulatory, legal, research, and clinical specialists. These experts are on hand to assist and support members with questions and concerns.
