The Beach Health Clinic provides basic medical services and prescription assistance to the uninsured, working poor families of Virginia Beach. Their patients all fall at or below 300% of the federal poverty level, and they are required to provide financial information for verification. Patients come for multiple visits throughout the year for continuing treatment of their chronic illnesses, such as diabetes, hypertension, asthma, and many others.

Specialty services in cardiology, neurology, pulmonology, rheumatology, gynecology, pediatrics, internal medicine, podiatry, physical therapy, urology, and mammograms.
