*Please note transportation is operating on a limited schedule due to COVID-19. Some trips that are requested may be denied if they are not considered an essential stop.

Transportation for community activities is available to people aged 60 and older and to people with physical disabilities. Riders must lack the ability or the means to transport themselves and not have a support system capable of providing them with transportation. Transportation is provided to medical appointments, Social Services, grocery stores, banks, pharmacies, congregate nutrition sites, and other support programs.

Transportation is also available for the Food n' Fun Program, which meets on Wednesdays at the Senior Center at 21 Moss Street. A hot lunch is provided for seniors along with other activities.

Service Area(s)

Martinsville City
