Christian Relief Services' affiliate, Christian Relief Services of Virginia, maintains and operates 10 units for the Safe Places Residential Program, which provides direct case management and family therapy to victims of domestic violence. Safe Places Program provides long-term transitional housing and support services for families

and individuals fleeing domestic violence. At the holiday season, we will work to also provide holiday meals, winter clothing, and even Santa's gifts to make the holidays special. Twenty Four month transitional housing is furnished.

Safe Places also runs weekly support groups for women and their children who have fled domestic violence situations. Please call to confirm a group is meeting.
