Volunteer Arlington in partnership with the Leadership Center for Excellence promotes volunteerism and advocates for active volunteer participation in the community in order to meet community needs and enrich the lives of Arlington residents. The volunteer office serves as a clearinghouse for local volunteer opportunities.

The office connects volunteers and agencies, provides a Volunteer Resource Center with access to a computer and printed materials on volunteerism, assists agencies that wish to develop or improve their volunteer programs and publicizes volunteer opportunities from hundreds of non-profit and government agencies.

Contact the Leadership Center for Excellence at 703-528-2522 for more information.
