Northern Virginia Mental Health Institute provides intensive short-term treatment to individuals with acute mental health needs living in Northern Virginia. The treatment plan is individualized to meet the needs of each patient. Services are provided by interdisciplinary treatment team of psychologists, nursing staff, social workers and activities therapists. All patients receive group treatment services, as well. Family therapy services are provided, as needed.

Options of the program include group psychotherapies, independent living skills training, medication education, stress management, community reintegration and a variety of recreational activities.

Bus Line: Metrobus. Subway stop: Dun Loring. For interpreter call ahead 24 hours.
