Lambda Legal, a 501(c)(3) nonprofit, is a national organization committed to achieving full recognition of the civil rights of lesbians, gay men, bisexuals, transgender people and everyone living with HIV through impact litigation, education and public policy work. Lambda Legal's Help Desk provides information and assistance regarding discrimination related to sexual orientation, gender identity and expression, and HIV status.

Lambda Legal selects cases that will have the greatest impact in protecting and advancing the rights of LGBT people and those with HIV. While we are not able to take every case, the Help Desk will discuss your legal issue with you, and will provide useful information. This assistance may include contact information for an attorney in your area or for other organizations that may directly assist you.

All inquiries to the Help Desk are strictly confidential.

The Southern Regional Office cover the states of Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia.
