Housing Opportunities Made Equal (HOME) offers Move to Opportunity. This program helps individuals with Housing Choice Vouchers rent housing. Staff provides one-on-one counseling services to empower individuals and families with knowledge and tools to be good tenants. Staff works closely with landlords to help individuals find a home in a neighborhood that is right for the family. Follow-up services provide support to families and landlords after housing has been determined.

This program is a HUD-approved housing counseling program.
