Aid and Assist In-Home Care provides services to individuals who require assistance with their daily routine, but are not ready to leave their own home. Services are

provided to elderly, disabled and their families in southwest Virginia and Tennessee. Some of the personal care services offer include stand by assistance with grooming and dressing; exercise reminders; assist with ambulatory; medication reminders and help reduce the risk of falls.

Services are offered to individuals with decreased sight or hearing, those recovering from major surgery, those with chronic medical conditions or Alzheimer's disease or dementia. Free no-obligation consultation is offered.

Office is on ground floor with easy-to-grasp handle, minimum 32" wide opening and no abrupt level changes over 1/4 inch from parking area. Designated parking close by and signage for non-accessible entrances.
