Southern Area Agency on Aging offers chore services in the home. Services may include help with heavy household tasks and general maintenance of the home. Level of service will vary based on need.

A fee is charged on sliding scale basis, according to income. People whose income is near or below poverty level are not charged a fee. However, people who receive a service for which no fee is charged are encouraged to contribute toward the cost of the service.

Chore services are provided in the home of the client who has been determined eligible for the program.
