Ginter Hall South Assisted Living provides short-term respite care to give primary caregivers a much-needed break.

Services are designed to assist individuals who need help with activities of daily living. Respite care is available for short-term care for individuals needing assistance with activities of daily living. Respite care ranges from 24-hour care after a hospital visit or several days when a primary caregiver must be out of town or become ill. A comprehensive care plan is developed for each guest resident. Pricing varies based on care needs and room selection.
