Free weatherization services for those who may qualify as low-income, whether they're homeowners or renters. Program helps to lower fuel bills and to keep the

home warmer in the winter and cooler in the summer. Inspects heat sources for safety and efficiency, seals major air leaks, insulates sidewalls and attics in houses, insulates mobile home floors, and insulates water heaters.

Bay Aging's Bay Housing Division provides senior apartments and complimentary services, as well as support to perform emergency home repairs, weatherization services, indoor plumbing rehabilitation, reconstruction, Housing Choice Vouchers and Legal Aid.
