Senior Helpers, Charlottesville offers companion care in your home. The service schedules are flexible and are non-contractual, so you don't have to commit to a fixed length of time. An in-home assessment helps to determine the type and level of care needed.

Caregivers are screened, trained, bonded, and insured. Companion care may be the answer instead of assisted living. Alzheimer's and dementia care are available. Services are available anytime - during the day, night, weekends, and holidays, or for short or long term duration.

Caregivers will assist with a variety of daily activities such as:

- 1) Caring companionship and conversation;
- 2) Meal planning and preparation;
- 3) Light housekeeping and laundry;
- 4) Errands and transportation;
- 5) Peace of Mind Visits to check on your loved one:

Also available are professional individuals to serve as "sitters" to stay with your loved one while they are in the hospital allowing the family to rest well knowing someone is there watching over and helping their loved one if they need extra support.
