Eastern State Hospital utilizes volunteers to assist with a variety of patient programs and activities in direct and indirect positions. Volunteers are given the opportunity to volunteer according to their availability. Initial and on-going training is provided.

- Direct Care Postions: Volunteer opportunities include Chaplaincy Services, Therapeutic Pet Services, One-to-One Focused Friends, Group Therapy Assistant, Activity Assistant and more!
- Indirect Care positions: Volunteer opportunities include Pharmacy Assistant, Medical Records, Volunteer Office Assistant and other indirect care positions.
- Local community and other area businesses, churches, schools, veterans, and other groups work diligently to help provide for the personal needs of the patients through monetary contributions, Holiday and other in-kind donations throughout the year.
