Grace Network offers financial assistance in a crisis for housing and utilities for families in crisis. Clients are helped to pay bills for housing, utilities, and some related items. Help is provided with payments towards a cutoff notice from the utility company (water, electricity, gas, and heating oil) or towards an eviction notice from the landlord or mortgage.

Grace Network is a first stop center of resources for residents of Martinsville and Henry County, supported by more than one hundred congregations and hundreds of individuals as well as civic groups, foundations, and corporations, where people who are facing a crisis involving essential life needs can find help and a listening ear.

Clients are seen on a first-come, first-served basis Monday through Friday 9:00 AM until 12:30 PM and Thursday afternoons from 4:00 PM to 7 PM. Clients must live in Martinsville or Henry County and must show documentation of a current financial crisis. Volunteers will interview all clients prior to offering assistance.
