Senior Helpers, Charlottesville provides in-home non-medical care services are designed so clients get as much or as little help as they require to enjoy living independently at home. The service schedules are flexible and are non-contractual, so you don't have to commit to a fixed length of time. An in-home assessment helps to determine the type and level of care needed.

Caregivers are screened, trained, bonded, and insured. Companion care may be the answer instead of assisted living. Alzheimer's and dementia care are available. Services are available anytime - during the day, night, weekends, and holidays, or for short or long term duration.

Caregivers will assist with a variety of daily activities including but not limited to:

Bathing and grooming assistance

Personal Care (toileting and hygiene)

Walking assistance

Alzheimer's and dementia care
