The Center for Sexual Assault offers a Survivors' Crisis Service that includes a 24hour hotline, (757) 236-5260 and accompaniment during medical, police and legal processes. Trained advocates can assist you in making informed decisions by providing you with information and referrals. Victims and/or concerned loved ones can call to report a sexual assault or to speak with a caring supportive volunteer or staff person. Whether someone was assaulted 20 years ago or 20 minutes ago, they can call and get help.
