Meier Clinics offers Christian counseling to individuals, couples and families through personalized plans for a wide range of concerns. Outpatient counseling is generally a single appointment scheduled on a weekly basis until the concerns are resolved.

Some concerns covered are depression, anxiety, marital discord, low self-esteem, addictive behaviors, grief or loss, anger, relationship conflicts or other issues or behaviors that are interfering with day-to-day function or enjoyment.

All the clinical staff (psychiatrists, psychologists, social workers, marriage and family counselors, addiction counselors, dieticians, etc.) are committed Christians who are fully credentialed and professionally trained.
