MedsHelp assists low-income area residents obtain their prescription medications. They help those who cannot afford to purchase their medications and who do not have prescription insurance by applying to pharmaceutical companies' Patient Assistance Programs (PAPs). This process can take up to 4-6 weeks to obtain your medication(s).

Refills are normally filled within 7 days of a placed order. Please allow 8-10 days in case of a volunteer pharmacist shortage.

Appointments are not required but are preferred. Please call for more information.
