Care can be provided to individuals with Special Needs. Provides personal care, monitoring or procedures for those with special needs. Intellectually challenged are able to function in the communities without problems. We provide mentorship, friendship as well as home modification to assist them function as usual.

Special needs are also able to advance in the community with the help of their family members, school teachers, friends and the community as well. One on one assistance makes them feel more comfortable and loved.

Also available are

- Physical, Occupational and Speech Therapists to assist with rehabilitation or recuperation.
- Medical Social Workers to assess your needs and help you connect with community resources.

Empower US Inc. is fully Medicaid certified, licensed, bonded and insured.
