Nursefinders is a home health agency that provides nurses, home health aides, companions, therapists, and more in the privacy and comfort of a patient's home. Personal care attendants provide valuable in-home support. The services of a personal care attendant include assistance with:

- Eating and feeding
- Bathing, showering, dressing and grooming
- Incontinence care
- Mobility, routine transfer and light exercise
- Transportation, running of errands like prescription pick up
- Medication reminders
- Check food expirations
- Cognitive development tasks

Companion care provides non-medical care in the home to prepare meals, light housekeeping, companionship, errands, escorting and more.
