Memory Care at Greenspring offers person-centered care. The memory care program for adults with Alzheimer's, dementia, or other cognitive conditions can provide structure and a sense of purpose in a safe facility.

The memory care neighborhood includes:

- A rooftop garden
- On-site dining
- Craft and activity space
- A Sun porch
- Living room for socializing

Assistance with activities of daily living, such as dressing, bathing, feeding, grooming, medication reminders and more are available. There is a medical center on campus with dedicated physicians and nurses that serves residents only. Specialists such as podiatrists, dentists, cardiologists, optometrists, and others keep regular hours. Shuttle transportation is provided.

The capacity of assisted living and memory care is 262 residents.
