Home Helpers of Chesterfield and Richmond (Home Helpers) offers companion care-assisted transportation services for medical or social reasons. Home Helpers incorporates incidental transportation as part of the Companion Care services. Caregivers will accompany you or your loved one to their appointment, be there to help them at the appointment (if requested) and transport them back safely home or to their next destination. Transportation can be provided to doctor's appointments, medical testing procedures, visits with family or friends, hairdresser appointments, grocery or general shopping, special events like weddings, and more.
