JSSA offers Life Coaching workshops. The program is an action-oriented approach that helps you maximize where you are now, design your future and take the next steps forward. Life coaches can help identify goals and design an action plan; learn and apply new life skills; develop greater confidence to move ahead with ease; achieve greater life balance; and attain personal and professional success. Coaches can help if you are an empty nester and/or a baby boomer or 65 plus and creating

your next chapter.
