Home Care Assistance of Richmond offers companion care. Caregivers provide companionship, medication reminders, transportation to doctor appointments, supermarket or errands, laundry and linen help, cooking, light housekeeping and more.

Caregivers are experienced in Alzheimer's care and dementia care.

Companions can also monitor the individual for safety during hospital stays or accompany older adults on vacations, enabling them to travel in safety and freedom.

Exclusive provider of the Balanced Care Method, a philosophy of moderation and variety in lifestyle. Components of Balanced Care Training include a healthy diet, physical activity, sharp minds, social ties and calmness, and purpose.

Live-in care and in-home assisted living are specialized services available.
