Sunrise at Countryside offers short-term stays and respite care to give primary caregivers a much-needed break, or when recovery from hospitalization is needed.

Assisted living is a solution for seniors who value their independence, yet need some help with daily activities, such as bathing, dressing, and medication reminders. The focus is on individual wellness and encourages continued independence with a tailored plan of assistance provided by trained team members available 24 hours a day. Assisted Living is not only a home-like, resident-centered alternative to many nursing homes, but at Sunrise, it is a different option to consider when a senior does not require intensive 24-hour skilled nursing care.
