The Barrington at Hioaks, formerly The Towers Retirement Community devotes an entire section of the building to seniors with memory impairment. Residents with memory impairments enjoy all the benefits of full assisted living and additional staff supervision and safety precautions.

Inspiritas Neighborhood has its own nurse station, activity room, common living area, and individual apartments within the area. Seniors who are no longer able to live by themselves will benefit from the extra supervision and the interaction with caring staff. Staff assists with tasks such as bathing, dressing, taking medications, and other daily needs. The staff emphasizes individualized social, recreational, and educational programs designed for individuals with memory impairment.

The capacity for assisted living and memory care is 200 residents. Please call for more information.
