The Hidenwood offers both independent and assisted living options. Assisted Living includes apartment living with help from the nursing staff for daily tasks such as bathing, dressing, walking, or taking medications. The plan is available in two different packages, or residents can choose the services they need and pay for them individually. The capacity for assisted living and memory care is 125.

Fully Assisted Living:

Includes three meals a day plus snacks; help with activities of daily living such as bathing, dressing, and eating; medication administration; professional nursing services; 24-hour supervision by a trained staff; wellness checks; transportation to medical appointments; and the development and maintenance of an individual plan of care.

Customized Assisted Living:

Residents have the freedom to choose only the services needed at the time. Using Customized Assisted Living services allows you to increase or decrease your services at any time. Examples of services are assistance with bathing, medication administration, and additional meals to name a few.
