MML Transportation offers non-emergency wheelchair and stretcher bed to bed transport to patients with all types of travel needs. Stretcher transport is available for people who are immobile or must travel lying down, such as patients who have had hip replacements, back injuries, or progressive arthritis. No acute medical attention is provided. Two additional passengers can travel at no extra cost. The first 10 miles are free.

For adults who are not wheelchair-bound, but may need help entering or exiting a vehicle, the ambulatory transport service is available. Drivers provide all necessary assistance. Bariatric Transport for patients over 250 lbs is available in a customized van designed for safe, comfortable transport.

Drivers are available 24 hours a day, 7 days a week.

Social transports to weddings, funerals, reunions, etc. are also available.
