Morningside House of Spotsylvania, formerly Cardinal Village is a memory care community established in 2013. The facility was designed specifically for residents with types of dementia. The community is equipped with spacious private and semi-private rooms and finely appointed common areas. The professionally landscaped outdoor courtyards are perfect for enjoying fresh air with family and friends. Capacity is 68.

Assisted living facilities are non-medical residential settings that provide or coordinate personal and health care services, 24-hour supervision, and assistance for the care of adults.

Focus is placed on each resident's daily fulfillment with intensive staff support who understand the various stages associated with memory impairments. Licensed nursing staff is available 24 hours a day and an emergency call response and security system is in place for residents with dementia.
