Ride E-Z offers vanpooling. Vanpools are a ride-sharing arrangement similar to a carpool, but on a larger scale with concurrent savings in fuel and vehicle equipment. The vans are provided by Ride EZ and the riders pay a monthly fee to participate. The key concept is that people share the ride from home or one or more common meeting locations and travel together to a common destination or work center.

Benefits are saving the cost of gasoline; fixed schedules; and more.
