Medicare and You 2024

[Medicare and You 2024](#) is a guide from the Centers for Medicare & Medicaid Services, Department of Health and Human Services, that describes the health care services and supplies that Medicare covers, and how to get those benefits through Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance). It includes the benefits you can get and when, how much Medicare pays for each service and how much you pay, and where to get your questions answered.
