Dementia Friendly America Resources

Dementia Friendly America (DFA) is a national network of communities, organizations and individuals seeking to ensure that communities across the U.S. are equipped to support people living with dementia and their caregivers. Dementia friendly communities foster the ability of people living with dementia to remain in their community and engage and thrive in day to day living.

Follow this [link](#) to explore resources to help your community become more dementia friendly. Topics covered include businesses, housing, libraries, disaster planning, clinical tools, transportation, health care and hospitals, and many more!
