\$0.00

Event Description

Recording Your Memories Monday, February 24, 10:30–11:30 am Learn how to use the medium of video to record memories and life stories for your loved ones and yourself. Different techniques will be presented so that storytellers can choose the recording method that provides the most enriching experience for both themselves and their viewers as they walk down memory lane. Mary Beth Shaw presents this session. Free and open to the community.
