Diamond Transportation Services, Inc., a National Express Transit company, is an established local transportation provider with extensive experience in paratransit, call center management, shuttle service, driver training, mobility management, and transportation management operating in the Washington Metropolitan area. Diamond incorporated in March of 1984 as the business began to grow, and had the opportunity to collaborate with local city, county, and regional transit

agencies for the design, operation, and implementation of curb-to-curb paratransit service for persons with disabilities.

Call or email to schedule charter, shuttle, or wheelchair-accessible services.
