[6 Tips for Talking with Your Doctor About Falls](#)

More than one in four older adults falls each year, but only half tell their doctor. It is important for your doctor to know about any health problems, including concerns about balance and falls. Get the most out of your conversations with these six tips.

About

We're Here to Help You Navigate Your Journey

Since 2001 VirginiaNavigator and our family of websites has been the trusted nonprofit resource for older adults, people with disabilities, veterans, and their caregivers and families. Search our resource directory of 26,000 programs and services to connect with local, statewide, and national resources to help you navigate your journey. Whether you are an older adult looking for social engagement, a veteran searching for job resources, a person with a disability seeking reliable transportation, or a caregiver looking for health and wellness support, we're here to help you find the support you need.
