The Retreat at Berryville offers a variety of living options. Assisted living, memory care assisted living, and respite care are available.

Respite care is available in assisted living or memory care if space is available for caregivers who need a break.

Memory Care Assisted Living provides care and services for adults with Alzheimer's or dementia who require assistance with at least two activities of daily living.

Services include help with medications, personalized support, and assistance with customized activities of daily living.

Licensure indicates a self-contained safe, secure environment for individuals with cognitive impairments who cannot recognize danger or protect their safety and welfare.

Capacity for assisted living and memory care is 74.
