The Hilarity for Charity (HFC) caregiver support groups offer caregivers connection with others who understand the challenges of caring for a loved one with Alzheimer's or related dementias. The groups are led by credentialed social workers and trained leaders. The groups meet weekly and provide expert guidance and peer support.

Visit the website to [join a group](#). An [online support experience](#) is available for caregivers aged 50 or less.

Service Area(s)

Nationwide
